

MARBERA

A person wearing a dark green velvet skirt and an olive green top is leaning over a large, polished, white marble table with prominent gold veining. The person's right hand is resting on the table's surface. The background is a plain, light-colored wall.

THE CATALOGUE

Maintenance: Your piece is unique and designed to last a lifetime. All our marbles are treated, however, a little care will ensure the longevity of your marble piece. We recommend to using a non-abrasive cloth with mild soapy water. Avoid bleach, vinegar or similar cleaning products.

Variations: All our pieces are handmade and made with natural materials. For this reason, each piece may be subject to variations in color, shade, texture, pores and mineral intrusion. This should be considered an asset as it adds value to the final product, making it unique and exclusive.
